

MNC Marine - Portal

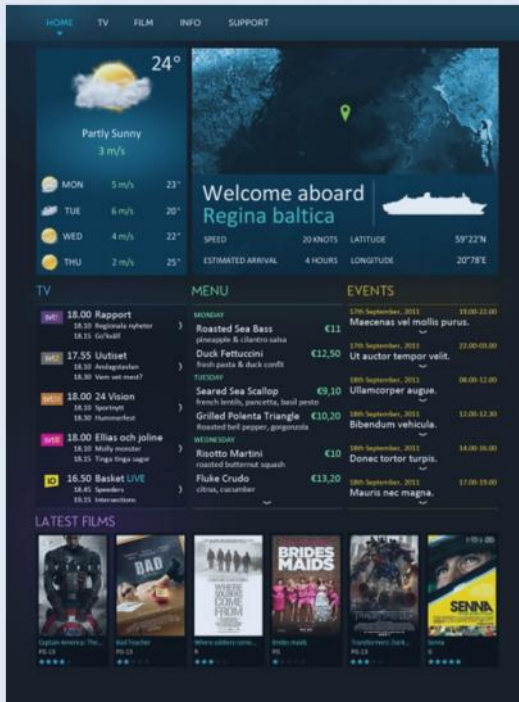

Watch TV, film and receive information in a new and modern way.

The latest information and entertainment is important, after a day of hard work

Watch TV and movies on your laptop, PC, Mac, tablet or Smartphone. Take part of; the daily menu, events on board, safety films, manuals, general information and support. MNC Marine's support staff will help you online if needed. You connect to the ship's wireless network "MNC Entertainment" with your Laptop, Tablet or SmartPhone, when you start your browser that will take you to the portal.

You get an onshore feeling even if you are offshore when using MNC Marine's portal.
